Dear Mr. Casey:

The Electronic Industries Association will hold its annual Government-Industry dinner on April 10, 1984; 8:00 p.m. at the J.W. Marriott Hotel in Washington, D.C. It is a pleasure to invite you, on behalf of the Board of Governors, to be our guest at the headtable at this black-tie event. We are honored to have the Secretary of Health and Human Services, The Honorable Margaret Heckler, as our guest speaker.

At this dinner we will honor the recipient of EIA's highest award, the Medal of Honor. This year the award will be presented to Allen E. Puckett, Chairman of the Board of Hughes Aircraft Company.

The Electronic Industries Association represents the full spectrum of U.S. manufacturers in the industry. Our members design and produce the smallest electronic parts to the most complex systems used in defense, space and industry plus a full range of consumer products.

There will be a reception at 7:00 p.m. and a headtable reception at 7:30 p.m., preparatory to entering the Ballroom. Over 800 senior executives from industry and government will be attending this dinner and we hope you will be able to join us. I look forward to hearing from you.

Sincerely,

Enclosure
